Re: Permit Review Status, Harper Contracting, Inc., Parleys Canyon Mine, M/035/012, Salt Lake County, Utah

Dear Mr. Mayhew:

On March 8, 2000, the Division received Harper Contracting's amendment to their large mining plan for the Parleys Canyon mine. Due to a backlog of other permit reviews, the Division has not been able to complete a review of this amendment within the usual 30-day timeframe. We apologize for the delay and any inconvenience this may cause you.

We hope to complete our review of your application within the next 30-45 days. We appreciate your patience and understanding in this regard. Please contact me if you have questions or concerns with this proposed review schedule.

Sincerely,

A handwritten signature in cursive script that reads "Joelle Burns".

Minerals Secretary
